

LOPATCONG SCHOOL FRIEND FINDER

Each year, the PTA publishes a Friend Finder Book to include all students in grades Pre-K to 8th, who wish to have their information published.

This is a directory of families of school aged children, including addresses, phone numbers and email addresses as provided to us, by you, the parents. We find that students and parents use this directory to contact classmates for homework, doing party invitations etc. **Please note:** *We will only publish those families who hand in a form with all of their information.*

Please return your completed form along with cash/check made payable to the **Lopatcong Township PTA** in the amount of **\$5.00**. Place your check and order form **together in an envelope** marked "PTA Friend Finder" and send it in to your child's homeroom teacher no later than **Friday, Sept. 15th**.

We cannot be responsible for lost money if it's not put in an envelope with the form.

Advertise your personal business!

If you would like to submit a business card for your personal business or profession to be included in the directory as an ad, please include your business card(s) with this order form and submit an additional **\$8** for each card submitted.

Jennifer Bohal, Friend Finder Chairperson
