VOLUNTEER'S HANDBOOK
2016-2017

Lopatcong Township School District

Dear Lopatcong School District Volunteer:

The Lopatcong Township School District is committed to providing a system of education that will prepare every child to function politically, economically and socially by valuing their individuality, recognizing their needs, equipping them with useful skills and instilling in them an appreciation of their contribution to society.

The District strives for constant improvement of the instructional program and an unremitting search for new and better ways to deliver educational services to our students.

As a volunteer, the Lopatcong Township School District welcomes you to our schools, and we hope that you will always be conscious of our traditions and requirements. Remember that your success in our schools will be directly in proportion to your positive efforts.

The volunteer program in the Lopatcong Township Schools places volunteers with school staff in a variety of helpful positions which include:

1. helping with classroom projects or activities
2. helping to monitor students in the lunchrooms
3. assisting in the Library
4. helping with rehearsals
5. chaperoning
6. Reading to your child's class
7. Landscaping/decorating
8. helping with fundraisers and/or clubs

The preceding list of activities is by no means all inclusive and you should not feel limited by the examples given. Throughout the school year many unique and interesting positions may come up including activities that take place after the school day ends which may appeal to parents that work during the day.

You may have a skill, talent, hobby or special interest that may be very helpful to a particular teacher in a certain subject area. You may also have specialized training, or a career that would benefit the students.

Please note: ALL VOLUNTEERS will be required to submit a volunteer form by October 31 to volunteer for the 2016-17 school. To avoid disappointment at the end of the year, please fill out the form if you have any desire to help with parties, trips or to even read in your child's classroom. Filling out the form DOES NOT obligate you to volunteer. Parents will be asked to sign off that they understand that if they do not fill out the form by October 31, they will not be able to volunteer at end of year events. (New students to the district during the year are the exceptions.)

We ask that you read this handbook before volunteering so that you have an understanding of this important job. Volunteering is a great way to stay involved in the educational process. Time spent will be rewarding for you as well as our students and staff.

The Lopatcong Township School District Board of Education, our students and staff appreciate your interest and efforts. If you have any questions or need any additional information, please contact the building principal or me.

Sincerely,

Rainie Roncoroni
Superintendent

Revised 7/2016 tll

Lopatcong Township School District

Dear Lopatcong School District Volunteer:

N.J.S.A. 18A:37-15(b)6 and the Lopatcong Township School District Board Policy #R5512 authorizes the investigation of reports and violations and complaints of harassment, intimidation or bullying.

The State of New Jersey defines harassment, intimidation and bullying (HIB) as any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by an actual or perceived characteristic, such as:

- Race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic; and that
- Takes place on school property, at any school-sponsored function, on a school bus, or
- off school grounds, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
- A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property; or
- Has the effect of insulting or demeaning any student or group of students; or
- Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student. (N.J.S.A. 18A:37-14)

As a volunteer, when you see an incident between two students that resembles the above definition of bullying, you **MUST** report it to a teacher or administrator **immediately**. Failure to report these incidents can hamper our efforts to stop HIB incidents where they start. You should also be aware that if you witness an event, you may be required to fill out a brief form describing what you saw so administration can carry on an effective investigation.

Thank you for taking the time to volunteer and assist Lopatcong School District students. Please sign below to acknowledge that you have read and understand the above HIB policy.

Sincerely,

Superintendent
District Anti-Bullying Coordinator
