

# Lopatcong 5-Year Strategic Plan 2014-2019

## **Planning Sessions:**

#1 – January 21, 2014

Preparing for the future

#2 – March 18, 2014

Visions & Expectations for the Future

#3 – April 9, 2014

Goal Statements & Related Strategies

## **Action Plan Goals:**

### **Student Achievement**

**Goal:** To increase student achievement in the areas of reading and mathematics through critical thinking skills.

**Objective #1:** To provide professional development in best instructional practices for ELA and mathematics including CCSS.

**Objective #2:** Utilize assessment data to drive instruction development of tiered groups.

**Objective #3:** Develop a solid foundation in early literacy and mathematics skills (PreK-K).

**Objective #4:** To infuse literacy and mathematics skills in non-tested areas to improve student achievement.

## **Action Plan Goals:**

### **Finance and Facilities**

**Goal:** Optimize available funding and identify and secure alternate funding.

**Objective #1:** Improve campus safety and security.

**Objective #2:** Improve the quality and expand educational instructional programs within the constraints of the budget.

**Objective #3:** Enhance/Optimize use of facilities.

## **Action Plan Goals:**

### **Culture and Climate**

**Goal:** Create within the Lopatcong School District, a sustainable, positive school climate that fosters development and learning necessary for productive contributing and satisfying life in society.

**Objective #1:** Create a school climate committee where everyone's opinion is valued.

**Objective #2:** Establish a strong and successful home-school connection in order to work as a whole unit.

**Objective #3:** Develop a socially, emotionally, and physically safe environment for staff, students, etc. to create a positive learning environment focusing on success for all stakeholders.
