December 29, 2011

To the Parents/Guardians of Eighth Grade Students:

Mr. Robert Feltmann, the Director of Guidance in the Phillipsburg School District, will be conducting a scheduling meeting for all parents and guardians of our current eighth grade students. The presentation will be held on Monday, January 9, at 7:00pm in the middle school Multi-Purpose Room. In case of inclement weather, the date will be moved to the following Monday, January 16th at 7:00pm.

The presentation will last approximately one hour and will include information on the current programs, the level placement procedures for students and general information on the scheduling process at Phillipsburg High School. It will conclude with a question and answer session for all participants.

If you have any questions or concerns, please contact me at 908-213-2995. Thank you in advance for attending this very important program.

Sincerely,

Jeanene Dutt
Middle School Principal
