

Lopatcong Elementary School presents:

Family Literacy Night

It's back! This year's Family Literacy Night at Lopatcong Elementary School will be focused on writing instruction. Join us on **Thursday, January 26** from **6:00-7:30 pm** to understand more about what and how your child is learning about writing, beginning with a brief overview in the All-Purpose Room. From there, parents and students will get a chance to move through stations, participating as teachers guide them through a one-night Writer's Workshop. The evening is designed to not only share the specifics of Writer's Workshop, but also to give parents some ideas about how to support their child's writing literacy instruction at home. Come be a part of an informative and enjoyable night focused on the latest happenings in literacy at our school.

We hope to see you on the 26th for Family Literacy Night! Please note that all students must be accompanied by their parents throughout the evening. If you plan to attend, please complete the bottom portion of this notice and return it to school by **Wednesday, January 11**. Thank you.
