

LOPATCONG BOARD OF EDUCATION

With beautiful weather, the first day of school got off to a great start!

The board members will be attending the NJSBA conference in Atlantic City during the month of October. We strive to enhance our knowledge and continue to keep abreast of the latest issues, policies, and student trends. Some of the seminars we will be attending are leadership, school security, cyber security, student achievement, STEM, and updated laws, just to name a few. We are looking forward to utilizing the information for the enhancement of our district.

The South Warren Municipal Alliance, funded by The Governor's Council on Alcoholism and Drug Abuse held their first 2017 Teen Leadership Initiative this July 10, 11 and 12 at St. Luke's Warren Campus. We are proud to announce that Lopatcong sent the most students to participate. We recognize the following students for their outstanding leadership skills.

- Uswad Qureshi
- Justin Farres
- Carly Blackford
- Greg Bartlett
- Cheyene Lutz
- Meghan Fritts
- Jada Boateng-Moore
- Rosie Flanagan*
- Haley Garcia*
- Brenna Hezel*

. At the last board meeting, our three * 7th grade students shared their experience. We look forward to Rosie, Haley and Brenna utilizing their leadership skills during the school year. Great job!
