

BOARD NOTES

Where did the school year go? The Board would like to extend our congratulations to all our students. We wish our high school students the best in their endeavors and remember their roots are embedded in the Lopatcong community. Our students at the high school level achieved 28% of the school population making the high honor and honor roll. Again, we would also like to congratulate all of our scholarship winners. We would also like to congratulate the PHS Valedictorian and Lopatcong Alumni, Aditya Rao. Best of luck at the University of Pennsylvania, Aditya!

The eighth grade commencement ceremony was a bittersweet ending for all of us. Each and every board member feels like proud surrogate parents. We are confident every student will walk through the doors of the high school well prepared for a new chapter in their life.

LOPATCONG BOARD OF EDUCATION

Please attend and feel free to ask questions of the school board members

LOPATCONG SCHOOL DISTRICT

321 Stonehenge Drive
Phillipsburg, NJ 08865
