

BOARD NOTES

The board met on July 18th for the annual setting of district goals. Working in tandem with administration, we spent the evening writing new district goals to implement in the 2017-18 school year. Shortly, we will be addressing the board goals for the year.

Many Lopatcong Board members are regularly attending training and county meetings. These informative meetings allow colleagues to share information as well as updates on legislative changes from the NJ School Boards Association.

We would like to congratulate Mr. Galant and Mr. Taggart for being recognized as Master Board Members at a recent county meeting!

Thank you to the custodial staff for their work over the summer to prepare for the upcoming school year.
