

LOPATCONG ELEMENTARY SCHOOL  
FIELD DAY

Come be a part of the fun!

June 13, 2017

Rain Date - June 14, 2017

Field day for students in Grades Preschool through grade 4 will take place on Tuesday, June 13, 2017 on the elementary school grounds. The rain date is June 14, 2017. Students in all grade levels will be outside for Field Day at the same time. It is a great day and a fun way to get involved.

Parent volunteers will be needed to set up and monitor each of the stations that have been developed by the physical education teachers. Mrs. Steele will meet with all the parent volunteers at the playground at 7:45 AM. Your station assignments will be reviewed at this time. We are requesting that parent volunteers stay for the duration of Field Day for scheduling purposes. Field day is over at 11:30 AM. The exception to this is the kindergarten and Pre-K parents, who may leave when their children are dismissed.

Volunteers are asked NOT to bring siblings or other children to this event. No spectators are allowed at this event, so please get involved by volunteering.

If you are interested in volunteering, please return the bottom portion of this form by Friday, June 6, 2017 to the main office.

**You must be a board approved volunteer to participate in this event. The Parent volunteer form must be submitted to Main Office by May 3<sup>rd</sup>. The form can be found on the school website by clicking on the "Parents" tab, the "Forms and Links" and "Volunteer Handbook 2016-2017."**
