March 13, 2020

Dear Parents and Guardians:

In consultation with the Warren County Department of Education, the Warren County Health Department, and the school districts of Warren County, all Warren County schools are closing effective Monday, March 16, 2020 and will reopen on Monday, March 30, 2020 unless otherwise directed from said authorities.

Please keep in mind that this is uncharted territory for everyone. Many questions will arise regarding logistics and instruction. We ask for your patience as we may need to communicate changes and adjustments to the remote learning process developed by the teachers. We are working together for continuity of instruction for all of our students. Our faculty and staff have worked diligently to make this transition as successful as possible and for that we are grateful.

What should I do on Monday morning?

Visit the websites of each of your child's teachers for directions and instruction to begin the remote learning process.

What if I need help?

- Teachers will be available via email and through google classrooms to assist.
- Administration will be available via phone (908) 213-2995,
 - Dr. Mercora, ext. 3100.
 - Mr. Rick Bonney, ext. 2300
 - Mr. Eric Renfors, ext. 3200
 - Ms. Laura Newman, ext. 2801

Please give us time to respond. We are anticipating that a volume of inquiries may limit our ability to respond as quickly as we are typically able.

Free and Reduced Lunch

Students may pick up a bag lunch daily from a location located in the lobby of the Middle School. Parents of students who are eligible for free and reduced lunch should fill out the survey:

We are confident in the plan we developed to continue to provide excellent educational services during this time and remain grateful for the continued support and cooperation of our entire community.

Sincerely,
