In that respect, please limit your comments or questions during the "Public Comment on Agenda Items" to agenda items only, and save any other questions or comments that you may have for the "Other Public Comments" portion of the meeting.

During both portions of the meeting, the Board requests that the following procedures be observed:

1. Any person who wishes to speak must wait until they have been recognized by the presiding Board Officer;
2. Before beginning, each speaker must state their name and address and, if speaking on behalf of an organization, the name of that organization;
3. Each speaker is limited to one (1) opportunity to speak during each of the two (2) portions that have been set aside;
4. Each speaker is limited to five (5) minutes in length so that other members of the public who wish to speak may have an opportunity to do so. Additional time may be afforded to a speaker at the sole discretion of the presiding Board Officer;
5. The presiding Board Officer will advise each speaker when the five (5) minute period has expired;
6. Out of respect for other members of the public that may wish to speak, the Board requests that each speaker cede the floor to the next member of the public as soon as they finished making their respective comment(s) and/or when their allotted time has expired; and
7. If your questions or comments pertain to litigation, student or personnel matters, the Board asks that you see the Superintendent after the meeting since the Board does not, pursuant to the Open Public Meetings Act, discuss or respond to these items in public.
