Dear Lopatcong Township School District Parents/Guardians,

I hope this email finds you all in good health and high spirits. I am writing to introduce myself as the newly appointed superintendent of the Lopatcong Township School District. It is an honor to have been chosen to serve our community in this capacity, and I look forward to working with each and every one of you in the coming years.

As an educator for the past 20 years, I have dedicated my career to improving the lives of young people through education. I have served as a teacher in grades k-8, principal, and district administrator, and I am excited to bring this experience to my new role as Superintendent.

One of my top priorities as Superintendent will be to ensure that our schools are safe, supportive, and inclusive learning environments for all students. I believe that every child deserves a high-quality education that prepares them for success in the 21st century, and I am committed to working with our teachers, parents, and community partners to ensure our students receive the best education possible.

I recognize that parents play a critical role in their children's education, and I am committed to keeping you informed and engaged throughout the school year. I will be hosting regular meetings and events where you will have the opportunity to share your thoughts and concerns, and I will always be available to answer your questions and address your needs. Although my official start date is July 1st, I plan on being present as often as possible so that I can hit the ground running in July.

In closing, I want to express my gratitude for the trust you have placed in me as your Superintendent of Schools. Together, we can build a brighter future for our children and our community. I look forward to working with you in the years ahead. Enjoy the end of the year and the summer break.

Sincerely,
Israel Marmolejos
Newly Appointed Superintendent
Lopatcong Township School District
