### REQUEST FOR FOOD IN SCHOOL

Dear Families,

All food served in school must be pre-approved by the school nurse and the principal **TWO WEEKS PRIOR** to the date you wish the food to be served.

All food items must be store purchased and pre-packaged. *Foods containing nuts or manufactured in a facility that uses nuts are not allowed, due to life-threatening allergies.* Please see the back of this letter for approved snacks. Ingredient list must be provided in advance, if you wish to send a food not listed as an approved snack.

Please submit your request, in writing, by filling out the attached form. Duplicate forms can be requested from the main office at 908-859-0800. The ingredient label from the packaging must be attached to your request, if you are choosing a food that is not on the list of suggestions.

When it is your child's birthday, you may wish to send in one small treat for your child's class. It should be a small snack, and not replace a child's lunch. Ice cream treats for the whole class to be served at lunch, through the school cafeteria, is also available for purchase. Ice cream treats for the whole class will be approved and can be purchased through the school cafeteria by filling out the attached form two weeks prior to the day you would like the treat served. You must call the cafeteria at 908-859-0800 ext. 3503 to order frozen treats, in addition to filling out this form.
