Preferred Qualifications:	Experience in teaching primary level students Knowledge of best practice through the State of New Jersey

Job Description/Responsibilities:

- Works to enhance the educational experience of young children/elementary aged children through the creation of a supportive learning environment and the use of developmentally appropriate materials and practices, including models of differentiated instruction
- Promotes active learning using structured and unstructured play-based activities that foster the social, physical, cognitive and emotional development of young pupils on the continuum of learning through elementary grades.
- Implements and develops a curriculum with the elementary team that uses appropriate learning activities designed to foster learning at each child's developmental level. Works to achieve district educational goals and objectives and national/state standards.
- Develops lesson plans and instructional materials and provides individualized and small group instruction in order to adapt the curriculum to the needs of each pupil. Balances teacher-directed and child-initiated experiences as appropriate for the grade level of the child. Emphasizes the implementation of a differentiated curriculum to assist in meeting student needs.
- Plans for activities and or lesson complements expected to be delivered by the classroom or personal aide assigned as dictated by the child's Individualized Education Plan.
- Sets specific objectives in lesson preparation and weekly lesson plans and carries through presentation to effectively achieve these objectives
- Observes children in a variety of settings and evaluates the cognitive, social, emotional and physical skills of pupils and maintains records of progress toward stated objectives of instruction.
- Develops and uses age-appropriate assessment tools and maintains records of pupil's

development and educational progress in class record books and/or approved forms and summarizes these marks for reporting purposes.

- Identifies pupil needs and cooperates with other professional staff members in assessing and resolving learning problems.
- Establishes and maintains standards of pupil behavior needed to achieve a classroom climate conducive to learning
- Budgets class time effectively.
- Communicates with parents through conferences and other means to inform them about the school program and to discuss pupil progress.
- Assists in facilitating smooth transitions from elementary grade programs and from the school day to after-school dismissal assignments.
- Supervises pupils in out-of-classroom activities as assigned.
- Maintains professional competence and continuous improvement through in-service education and other professional growth activities.
- Participates in school-level planning, faculty meetings/committees, and other school system groups.
- Makes effective use of community resources to enhance the instructional program.
- Upholds and enforces school rules, administrative regulations and board policy.
- Performs other duties within the scope of his/her employment and certification as may be assigned.
