Welcome to PaySchools!

Manage Your Student's Meals with Ease!

Our district has selected PaySchools, an i3 Education product. The use of PaySchools Central is free for households, except for nominal service fees applied if households choose to prefund a student account using ACH or debit/credit cards. Funds can still be added without any fee by cash or check in the lunch line.

With PaySchools Central, you can securely and quickly pay for your student's meals and fees, apply for free and reduced meals, set up reminders and alerts, review their purchases, access detailed reports, and manage payments anytime, anywhere, on any device.
